SECTION V Old Business Continued on Page 3

Fellowship COW: recap, went very well. Couldn't get around to talk to everyone as well with a long table, but it went well for everyone who was in attendance.
 Uniform inspections-9 people still to be done (some do not yet have uniforms)
 D-Train: W. Mulligan took 4 courses, operations workshop, emergency preparedness, cyber security, TCT refresher-each course was presented very well, instructors were great, day was excellent-registration could have been improved significantly-no one at the table, gone for hours-need a ticket for lunch, need to have someone there to continue with registration throughout the day. Will pass up the chain to address for the future. (cont)
