Let's Navigate.....The U.S. Coast Guard Auxiliary Website

[www.cgaux.org](http://www.cgaux.org)

**Best Advice: Click through each tab or icon to familiarize yourself with the site.**

The screenshot shows a website banner for the U.S. Coast Guard Auxiliary. At the top left is the U.S. Coast Guard Auxiliary logo, followed by the text "U.S. Department of Homeland Security" and "United States Coast Guard Auxiliary". To the right is a stylized American flag. The main content area features a photograph of a man in a white shirt performing a Vessel Safety Check on a boat. Overlaid on the photo is a large orange shield-shaped logo with the text "VESSEL SAFETY CHECK" at the top, "THIS VESSEL HAS BEEN CHECKED FOR SAFETY" on the sides, and "VSC" in a white banner at the bottom. Below the shield is the "BoatUS" logo. To the right of the photo, the text reads "CONTACT YOUR LOCAL USCG AUXILIARY-OR-US POWER SQUADRON VESSEL EXAMINER TODAY". Below this, a paragraph explains: "A Vessel Safety Check (VSC) is performed at your boat - ranging in locations from marina to your driveway. A vessel safety check usually takes 15 to 30 minutes, depending upon the size of your boat." At the bottom of the banner is a navigation menu with the following items: AUXHOME, JOIN US NOW!, LEADERSHIP, AUX MEMBERS, DIRECTORATES, UNITS, AUX ASSOC., and COAST GUARD.
