

New Member Uniform Acquisition

Hi fellow shipmates, Charlene Dykman here. I have been asked about getting new uniforms and how to do it. Here are some websites to use. You will need your member ID number to order some, others just use your email. I encourage you to use the same email, keep it simple.

[Coast Guard Exchange](#)

You will need your member ID to order here. **Consult the size charts for anything you order.** If you have to limit your purchase, get the ODU, the items on the top and second row.

[Auxiliary Center](#)

Just need an email address to sign up and order.

[Vanguard Military](#)

Just need an email address to sign up. Many of the same items. Shop the sites for the best pricing. Also check the return policies. We will try to get someone to escort you to the Base, to see some in person. I encourage you to purchase extras of the cloth items, name tapes, etc. as they may soil or fade over time.
