OFFICIAL DIVISION 6 MEMBER TRAINING JUNE 2020 ONLINE TRAINING

READY | RELEVANT | RESPONSIVE

Ahoy Shipmates!

The world is taking a crash course on digital.

Our homes are now offices, schools and gyms.

And in two months, a new word has been added to our vocabulary – Zooming. 300 million daily!

Fortunately, American ingenuity is leading us out of this pandemic.

Video communication is filling critical needs in all human endeavors.

DIV6 is working to apply experiential learning to our classes, so that we can support our members' online learning and build morale by "socializing" with each other virtually.

Not every member is comfortable with video, so participation in videoconferencing is voluntary.

June calendar offers a rich offering of new classes as well as traditional ones.

How to set up videoconferencing, tips to use video to hold business meetings, teach and socialize. As well as ICS 100, traditional leadership, workshops and TCT classes.

The Schedule follows and is also posted on our DIV6 Calendar. Please contact us through the calendar to register for a specific class.

Your thoughts and suggestions as well as new ideas to help us work through this are welcome.

This is a rapidly changing situation so further communications are likely from the COL.

Please call me with your suggestions.

Please know that we are all in the same boat and you can reach out to any of us. We are here to help in any way that we can.
