NSBW "Touch-A-Boat" Event –Huge Success

May 19, 2012 New Port Richey The National Safe Boating Week "Touch-a-Boat" Event was attended by many. After several months of preparation, the big day was finally here. Even though the event was to start at 9am, we had visitors streaming in at 8am. One of the best attractions was a 1948 Aeronica seaplane. Numerous veterans expressed interest and had a lot of questions about the mechanics of the plane. It still works and on occasion, you can see it flying out in the gulf.

We had power vessels, a 27 foot sailboat, pontoons, jet ski, professional kayakers and canoe owners, and a home made wind prammer by George Hayes...friend of our flotilla. In spite of the heat, attendance was very good.

Local BBQ vendor, Ray Coleman was a big hit with BBQ'd pork, chicken and delicious ribs.

Request was made for a Coast Guard boat to be trailered here, but they were called out for a Search and Rescue mission instead. Spectators did get to see a Coast Guard helicopter make a run down the North Channel and it circled Big Bayou at the radio building.

Many thanks to Debra Leone from Woodlands Home Owners Assoc. and Phil LaRoche from Gulf Harbors Yacht Club for their cooperation in allowing us to use their parking lots and buildings for this event.

Members helping with this event: Roger Anderson, Rosemary Zabinski, Norm Robertson, Roland DesMarais, Robert Hutchinson, Bob Smallwood, James Kreyer, Ron Dell, Anthony Rucker, and retired aux member, Bernard Zanetti.

By the afternoon, we had signed up 2 new members and several people for June and July ABS classes.

Thank you to auxiliary members who helped coordinate vessels, pass out flyers, donate their time.

Respectfully submitted,
Rosemary Zabinski VFC FSO-OP

Communications

The materials for replacement of flotilla 11-06's main antenna have been purchased. However, due to inclement weather progress has been slow. We are making some progress and hope to complete the replacement of the antenna within the month.

There were no Radio Watches performed by Flotilla 11-06 during this reporting period, Flotilla 11-06 currently has no patrols or Radio Watches scheduled for the month of June.

Fred Kratochvil FSO-CM 11-6

The member-training website known as the "U.S. Coast Guard Auxiliary Virtual Classroom" has moved to a new location, and is now called the "Coast Guard Auxiliary – Online Classroom". The new link (URL) to the Online Classroom is <http://classroom.cgaux.org>. Members, member training officers, and unit webmasters should change all bookmarks, links, or other references to the old Virtual Classroom to the new site and address.

All courses previously available in the Virtual Classroom should immediately be available at the new Online Classroom. Old user accounts and course completion history have been retired, as the new site uses automatically provides members with new and permanent accounts based upon the same Member Zone Credentials used for AuxDirectory, NTC, Webforms, etc.

All Auxiliary members are encouraged to use the new Online Classroom. Support is available via the National Help Desk at <http://help.cgaux.org>.

Members should note that the on-hold "Auxiliary Mandated Training Program" courses as most recently referenced in ALAUX 011/11 ("Suicide Prevention", "Privacy Awareness", et. al.) will not be available on this new platform.

Information Services

I have received reports from 11 members' again which included 7029, 7030, 7046, 7038's out of 22 members.

I had one training session at my home this month as members requested additional help on how to properly fill out Aux Forms.

I received confirmation that I was accepted and will attend the C-School class from June 7th to June 10th. I will not be able to attend June's Staff, Flotilla and Division meetings due to being away at that time.

All received May's activity reports have been entered into AUXDATA.

Vessel Safety

The next Vessel Safety Check (VSC) blitz will be at the American Marina Boat Ramp on June 9th, from 0900-1200. All Qualified Vessel Examiners (VEs) and anyone wanting to learn about vessel exams are invited. It's a great way to educate the boating public on vessel safety equipment. 13 Vessel & PWC exams were conducted in the month of May, also 20 information packs were passed out. IMPORTANT: Form 7030 is used to collect and input data into the AUXDATA System. Without this information, funding for the Auxiliary is not allocated/given. Without funding there would be very little resources for things such as fuel and travel and other expenses. It is critical that you submit your time in hours spent and expenses. Form 7029 Activity Report is also important, even if you just read emails/write email/attend a meeting, you should be jotting the hours down on the 7029 worksheet. Remember for expenses on the 7029, please only record expenses for tolls, parking, meals and lodging that you were not reimbursed for. Read the instructions on the back of form to find the category or categories that you are in. [Click here for instructions on filling in the 7030 form.](#)

The ElevenSixer Newsletter is always looking for articles about Auxiliarists, stories of interest, and photographs. Your articles don't have to be long; just make sure you include all of the basics: *Who* are you writing about? *What* is the topic or event? *Where* does the story take place (location)? *When* did, or *when will* this event take place, and finally, *Why* is this of interest, or *How* was this accomplished? Provide as much information as possible.

Photographs should include the names and offices of the people in the photograph. The location, date and who took the photograph.
