The Eleven Sixer

Folks,

The greatest reward I have as a FC is the TEAM. Rose is busy with the Standing Rules, etc.; Ron made up the Most Improved Cadet Awards; Norm is always busy with 7029, 7030, etc.; Jim's got a great program for VE's; and Anthony A. is a good Finance Officer. We received many good improvements in this 1st Quarter Status Report on Saturday...most Flotillas did not. We may be small and without boats...but in those areas where we can improve, we are doing so...in fact, I think we are setting the pace. I thank you.

I expected to spend hours on the computer today...but so much has been taken on by you all...hopefully I can concentrate on NSBW and Membership.

Respectfully,

Roger Anderson Flotilla Commander

Flotilla 11-6 was invited to participate in "Discover The Preserve" at James Grey Preserve (Park) on Saturday, April 14, 2012. Rosemary Zabinski and Bob Smallwood spoke with many visitors about the Auxiliary and our efforts to promote safe boating. Brochures and pamphlets and PE schedules were handed out and we discussed different types of PFD's with adults and children.

Several of the visitors will be added to our email list for the flotilla newsletter.

Respectfully submitted,

Rosemary Zabinski Vice Flotilla Commander, FSO-OP 11-6

Staff Officer Reports

Communications

There were no Radio Watches performed by flotilla 1106 during this reporting period, Flotilla 11-06 currently has no patrols or Radio Watches scheduled for the month of May.

The materials for replacement of flotilla 11-06's main antenna have been purchased. However, due to blustery weather and availability of personnel the replacement has been delayed. By agreement of the SO-CM, the 11-06 FC and myself, the replacement of the antenna has been scheduled for the first two weeks in June.

Fred Kratochvil FSO-CM

Communication Services

The 2012 courses being offered by 11-6 have also been registered on the National Site so anyone seeking a course on the National or any WOW site. The person need only to type in our zipcode for a list of our courses. This is in addition to the direct Boating Registration on our site. All Coast Guard Auxiliary websites are required to migrate to the WOW software this year. In effect any Auxiliary website accessed by the public will have access to our courses simply by inputting our zipcode.

There are many useful links and I highly recommend you peruse them. If you come across one that would prove useful to 11-6 by all means let me know. It just cannot contain any commercial advertisements or pictures of the general public.

Ron Dell, SO-CS Div. 11, FSO-CS 11-6, FSO-PB 11-6

Human Resources

24 April 2012 Station Sand Key "Shipmate Of the Month".

The Shipmate of the Month award was presented to Ron Dell for his volunteer service to his flotilla and division.

The Shipmate of the Month Award is given to a fellow member who shows a willingness to be helpful and useful, dependable and reliable to his or her fellow members.

Auxiliary Shipmate of the Month selection is a result of many contributions to the success of the U. S. Coast Guard Auxiliary. Receivers of this distinguished award in the past in Division 11 have been Bob Holden Flotilla 11-10, Rosemary Zabinski 11-6 and many others. It is given each month to a deserving member.

Captain Dickinson, Ron Dell, and CWO Morgan Dudley.

Information Services

There were two training sessions at my home this month as members requested additional help on how to properly fill out Aux Forms.

I have submitted the paperwork regarding C-School. I'm waiting now on a reply on how to proceed forward.

All received April activity reports have been entered into AUXDATA. Now that the warmer weather is in place, activity is picking up which in turn is creating more entry hours in Auxdata. Love seeing the member participation in many areas of the Auxiliary and each member receiving the proper credit for their involvement in all missions.

Respectfully submitted,

Norm Robertson FSO-IS 11-6

IMPORTANT: Form 7030 is used to collect and input data into the AUXDATA System. Without this information, funding for the Auxiliary is not allocated/given. Without funding there would be very little resources for things such as fuel and travel and other expenses. It is critical that you submit your time in hours spent and expenses. Form 7029 Activity Report is also important, even if you just read emails/write email/attend a meeting, you should be jotting the hours down on the 7029 worksheet. Remember for expenses on the 7029, please only record expenses for tolls, parking, meals and lodging that you were not reimbursed for. Read the instructions on the back of form to find the category or categories that you are in. [Click here for instructions on filling in the 7030 form.](#)
