to me, David, Kristi

Good afternoon

David – I hope your knee heals quickly.

As for the HR report for March. I'm actively working with three people who came through the national website. Two of them are interested in joining and have responded positively. The third has not so far.

- **Justin Aftanis** – attended our March meeting and has the application
- **Daniel Devitt** – he is retired Coast Guard and worked at Air Station Clearwater. He's in the process of moving to Clearwater in April and wants to join.
- **Barney Strong** – I've left two messages for but waiting on a response.

Thanks

Kristi
