

Honeymoon Island Fall Festival

The parks system of the Florida Dept. Of Environmental Protection put on a special event consisting of many vendors and exhibits from many various organizations. The Dunedin C. G. Aux Flotilla 11-10 was also asked to participate to promote boat safety since the administer of this event is a past Coastie.

The Dunedin C. G. aux flotilla 11-10 worked on this event two days Oct. 21st And Oct. 22nd from 9AM to 5PM both days. It was a highly successful and busy event with so many people coming up to our booths asking questions about vessel exams and boat safety courses. Many thanks go out to all who participated in manning the booth:

George Inderweis, Gordon Thomas, Chelsea Miller, Buddy Casale, Harvey Prior, David Cooper, Steve Rae, Gary Walkup.

Many thanks go out to Geary Daves, Grady Altman, and Gordon Thomas who also spent time on Friday morning going to the marina to get the canopy, pamphlets, banners etc and then setting them up at Honeymoon Island in preparation for the event the next two days. Geary and Grady also donated the use of their card tables.
