FSO-OP (Operations)	<p>July 2018</p> <p>Ups</p> <ul style="list-style-type: none"> • We have another potential OpFac • Have another Coxswain, however he is REYR <p>Downs</p> <ul style="list-style-type: none"> • We have no Coxswain available at this time to get patrols in • We have 3 Coxswains in REYR who need hours to be prepared to QE • We do not have enough SAR Vests and PPE for all of the trainees and crew. <p>Overview</p> <p>We need to get our REYR coxswains the necessary hours to QE and get back in good standing, so we can get the rest of our existing and new crew members hours on the water and proper training.</p> <p>Norm Fuller, FC</p>
FSO-PB (Publications)	<p>John Brown FSO-PB #3004409 070-12-04</p> <p>The past month for publications has been very steady working on newsletter information .The Facebook Page is going very well. I currently have been working with a representative from I-Heart Radio to possibly advertise upcoming events as in our ABS classes; our advertising has been going well with Bass Pro Shops on their Social Media sites as well. I am continually looking for more ways to creatively advertise. I have nothing further to report on for the month of June. In Summary there is continual work posting and sharing information on our Facebook page.</p>
FSO-PE (Public Education)	<p>No report - J. Hartwright</p>
FSO-PV (RBS Visitor P)	<p>John A. Brown SO-PV#3004409 July Report</p> <p>UPS</p> <ul style="list-style-type: none"> • We at 12-4 have reported from Program Visits 44 visits for the Month of July • Our new partnership with Bass Pro Shops is going great! They now offer boaters who have visited us at our vessel safety check station at the boat ramp near the store to visit the Marine counter and they will assist the customer on finding everything they need as far as safety equipment

	<p>and supplies for their boat using the copy of the vessel safety check form presented at the marine counter in the store at purchase time.</p> <ul style="list-style-type: none"> • We have added two new partners to our Program Visit list , two new Bait shops • Flotilla 12-3 is doing very well with visits, they have exceeded their goals for 2018 at this time they have doubled their goal of 250 Visits for 2018. • They have been very active advertising PE classes as well. • Flotilla 12-10 has reported 5 visits for the month of July with 2 new possible partners <p>Downs</p> <ul style="list-style-type: none"> • We are doing good on visits, however its tough only have 6 Program Visitors on the rolls out of our total membership for 12-4, always working on recruiting more visitors. • Unfortunately I have only heard from two flotilla’s 12-3 and 12-10 for reports • Summer time folks in the flotilla’s may be out of town for Vacations along with scheduling conflicts <p>Summary: Looking forward to continuing our work in Division 12 promoting RBS through our Program Visitation and always recruiting for new Program Visitors within the flotilla’s</p>
<p>FSO-SR (Secretary/Records)</p>	<p>No report</p>
<p>OLD BUSINESS</p>	
<ul style="list-style-type: none"> • Dues reminder email will go out in the next week. 	
<p>NEW BUSINESS</p>	
<ul style="list-style-type: none"> • Oct. members need to bring their SAR/PFD vests to the meeting, so they can be inspected. • Eric Hurlin present information regarding boating accidents from Marine News. South Carolina was 7th on the list for most accidents. Eric also provided information on blue green algae issues that is going nationwide. 	
<p>, Committee Report</p>	
<ul style="list-style-type: none"> • Life Jacket Committee – Lea Fuller and Tommy Timberlake – Life Jacket stands at Murrells Inlet, Socastee, and Waca Wache were checked, it has been noted that extra jackets continue to be left at the stands. More jackets were stenciled and placed at the stands. Murrells had only two jackets and neither were the ones provided by this Flotilla. 	
<p>MEMBERSHIP TRAINING</p>	

Presented by John Kohan – Inflatable PFD Care and Use

Training consisted of how to test, and how often to test the PFD. John reviewed repacking and how to inflate them if they are not inflated by water; or if air is needed to be added manually. The training also showed members how the PFD should be worn and what it visually looked and felt like as PFD inflated.
