COAST GUARD REPRESENTATIVE COMMENTS –											
DISTRICT/DIVISION REPRESENTATIVE COMMENTS/MEETING INFORMATION											
<ul style="list-style-type: none"> ○ From Rick Bankert, CDR: ○ 1. The Covid challenge hit my attitude this past month. I wish we could get back to normal, in all aspects of life, not just AUX life. I encourage all members to support one another, when we get to feeling down. Also, feel free to take a time out and not worry about AUX stuff, until the mood changes and you get back to AUX life (which seems to be mostly online life). ○ 2. Flotillas are planning elections. If you have not served as VFC, please consider jumping into the leadership role. Every flotilla has experienced members to help share the leadership responsibilities. The Division also has folks willing to offer advice and answer questions. 											

- 3. Please continue to follow Coast Guard directives and other health guidelines to stay healthy!
- 4. Everbridge response for Hurricane Isaias: 12-4 @ 100%; 235 Division members were contacted, and 227 responded! That's a 96.6% response.
- 5. First Responder course no longer required.
