

# Uniform Guide for Potential Members

Once an applicant is assigned a member number they are expected to attend meetings and operational training and missions in uniform. While there are several uniforms Auxiliaries are authorized to wear - 2 uniforms are required at a minimum. They are the "Trops" and the ODUs. Each of these uniforms have several components. Uniforms are obtained through several sources and are listed in the members only section under uniforms.

"Trops" are usually worn at meetings when attending them at the Flotilla, Division and District Levels. They are required for all CG Schools that a member attends in person (residence course) and not completed online. (correspondence course).

"ODUs" are our Operational or Working uniform. They are worn when working and performing functions during surface (boat) operations or watch - standing. A different "Flight" suit is worn for air operations. It is suggested that a member have 1 set of tropes and 2 sets of ODUs - if you must choose at first for financial reasons, purchase a set of Tropes first!
