NOTES:

*** ETQC WILL NOT ISSUE NO-COST ORDERS AND NO-COST STTR'S DO NOT NEED TO BE ENTERED INTO DA, ONLY FUNDED ORDERS. If the District is interested in holding an exportable session in which instructors are funded to the District's training site under C-school orders and local students attend on unfunded orders, please contact the POC for the C-School or the PM at the CHDIRAUX office.

***CG Academy and TRACEN Petaluma are not handicap-accessible facilities. They are not recommended for anyone having difficulty walking. Both locations have significant hills and vehicles cannot be parked near the berthing or training facilities.

***All DIRAUX are to follow all procedures set forth for canceling and notifying ETQC & CG-BSX-11 Program Manager via message traffic as per COMDTINST M1500.10C Chapter 8 Quota Cancellation Policy. Personnel in receipt of orders to a Class "C" school have ten days from receipt of orders to cancel orders, request a substitution, or submit a waiver request. After ten days, the member must have Command approval to cancel or substitute the quota. Cancellation requests should be sent via message to the appropriate Program Manager or ETQC within ten days of receiving orders. Requests for cancellations will be considered by the Program Manager for the respective course.

****Class convenings are entered into DA as we receive the Data sheets from the Course Lead Instructor

****Please note that for classes scheduled, If local students in those classes are approved by the POC, Districts must issue NO-COST orders. DA should identify how many funded Auxiliary C-school quotas are available for that session. You must check with the host DIRAUX and Lead Instructor to obtain a quota for those classes.
