
Children's Classes

These classes are offered to groups of children on a request basis.
To request a class, please contact the Flotilla Public Education Staff Officer.

Boating Fun - Adventure on the Water
Boating Fun - Adventure on the Water, was written in partnership with the Army Corps of Engineers.

It is a storybook targeted to children in grades K-3.

The story contains all the safe boating messages and, in addition, Key Messages for the pictures are separately listed on each page where the related picture is found.

The book is designed to be used in traditional, instructor-led classes. We present this class when requested for schools, scouts, and other community groups.

Waypoints - A Guide to Boating Safely

Waypoints - A Guide to Boating Safely, was written in partnership with the Army Corps of Engineers.

It is targeted to youth in grades 4-6. Its look and reading style, as well as the "One Minute Mysteries," which foster discussion, appeal to the 10-12 year old age range.

It includes many of the main points of our adult 8-hr Boating Safety Course.

The book is designed to be used in traditional, instructor-led classes. We present this class when requested for schools, scouts, and other community groups.
