Our Missions

Recreational Boating Safety -

consisting of our many boating safety classes, distributing boating safety information to the public, providing free vessel safety checks, and doing safety patrols on land, water, and in the air.

Support of Maritime Homeland Security and other maritime safety challenges that have emerged in recent years.

Who We Are

Since 1939, the men and woman of the United States Coast Guard Auxiliary have volunteered millions of hours in support of the Coast Guard and the recreational boating public.

We are the uniformed civilian volunteer arm of the United States Coast Guard.

Hello Auxiliarists!

Fall is now upon us. Time to start getting ready for that inclement weather, especially on the waterways.

There are several holiday events upcoming that we will be sending out details on closer to the date, hope everyone can make them!
