## Congratulations James Stewart!

FSO-VE James Stewart has played a vital role in substantially increasing the number of exams by our flotilla. In August Gold Country Flotilla was invited by the "Castaways" fishing club of El Dorado County to conduct exams of their club members boats. The event was held at the fairgrounds in Placerville and 18 fishing boats were inspected by James Stewart (3-3), Jay Mailloux (3-3) and Don Anderson (3-3). David Wright (3-5) also assisted.

In recognition of his outstanding efforts, FC Nancy Holtzman presented James Stewart with an Auxiliary Challenge Coin and a Certificate of Achievement. Bravo Zulu James!

## Our Missions

### Recreational Boating Safety -

consisting of our many boating safety classes, distributing boating safety information to the public, providing free vessel safety checks, and doing safety patrols on land, water, and in the air.

**Support of Maritime Homeland Security** and other maritime safety challenges that have emerged in recent years.

## Who We Are

Since 1939, the men and woman of the United States Coast Guard Auxiliary have volunteered millions of hours in support of the Coast Guard and the recreational boating public.

We are the uniformed civilian volunteer arm of the United States Coast Guard.

Hello Auxiliaries!

We are proud to announce the renaming of our newsletter to Gold Country Nuggets!

In past years Gold Country Flotilla ran a newsletter called the Gold Country Nuggets. In July 2019 we put all possible names to a vote. In a landslide vote Gold Country Nuggets was proudly selected!

Moving forward our goal is to release the newsletter on a monthly basis. This will be made possible by continuing contributions from our flotilla members. Thank you all for your continuing support!

## Boat Crew Training Opportunity

Don Anderson (3-3) and Nancy Holtzman (3-3) are offering to host a boat crew training for interested members. This will be a great opportunity to train as a group to prepare for the Qualifying events for next years' boating season.

If interested in participating please contact Don Anderson or Nancy Holtzman **no later than 01 OCT 19.**
