

M.I.T. 22 lb Product Notice

MUSTANG SURVIVAL ISSUES VOLUNTARY RECALL NOTICE ON MD2010 & MD2012 model 22LB Inflatable Personal Flotation Devices In keeping with Mustang Survival's commitment to the highest levels of product quality and safety, we are voluntarily recalling all model number MD2010 and MD2012 inflatable Personal Flotation Devices (PFD's) sold in the United States during 2011.

This recall is being issued for the inspection and repair of an inflator installation inconsistency that may prevent some units from fully inflating. Mustang Survival has developed a solution that corrects any affected product and prevents re-occurrence of this issue. The inspection and repair can only be performed at a Mustang Survival factory.

This recall notification is for only the MD2010 and MD2012 22LB buoyancy inflatable PFDs. No other Mustang Survival products are affected as they utilize different inflator mechanisms.

All MD2010 and MD2012 PFD's without the stamped MIT logo as shown in Image 3 (above) should be returned to Mustang Survival for inspection. All other Mustang PFD's are okay for use.

Distributors and consumers are urged to contact Mustang Survival's Customer Service department at 1-800-526-0532 between 7:30am and 4:30pm PST, Monday through Friday for specific shipping instructions. If you have questions, please first refer to the Frequently Asked Questions below.
