Basic Qualification (BQII) Course User Guide

David Larkin, Juneau, AK

This guide will walk you step by step to enrolling in the BQII Course. Once you get through the first few steps you will have access to most of the Auxiliary sites also.

Step 1: Start here: my.cgaux.org

Click on the red "sign in" box

This will take you to the Log-In screen. If you do not already have a password you will be able to create one. The password you create will work for most Auxiliary sites so make it something you will remember, you will use it often.

Step 2: If you already have a password, log in with your member number and password. If you do not have a password click on the "Add or Reactivate a Password" button.

Create a password on the following page. The email address is the one listed in the AUXOFFICER directory. Once you have entered your employee ID (member number), password and email address, click "Add/Change Password".

Once your password is created go back to the my.cgaux.org log-in screen in step 2 above and enter your member number and password to log in.

You will now be taken to the Dashboard of the website. This is the starting place for just about everything you will need to do in the Auxiliary.

Step 3: Click on the "Basic Qualification Course II" button.

That button will take you to the National T Directorate (T for Training) BQII website. Watch the video and when you are ready click the "Auxiliary Classroom" button.

Note: on the left column you will see a "Member Zone" button. Log in with the password you created.

Step 4: The "Auxiliary Classroom" link above (red arrow) will take you to the online classroom log-in screen. Use your member number and password to log in here.

Log in as a guest

Now you will go directly to the AUX Basic Qualification Course page.

Read the information, open or download the "New Member Reference Guide" on the page, read the "Effectively Navigating and searching Auxiliary Publications with Adobe Reader", and watch the video (optional).

Step 5: Scroll down to Module 1 and begin the training. Once you have studied the material you will click on the "National Testing Center" button to take the test. (Hint, it's open book).

Welcome New Auxiliarists!

Welcome Aboard!

The US Coast Guard Auxiliary supports the Coast Guard in all its non-military, and non-law-enforcement missions. It is unlike any other volunteer organization. Because of its unique nature, new members may feel it a challenge to fully understand how the organization works and where they fit.

This Basic Qualification Course will help new Auxiliarists navigate their way through the core concepts of becoming a competent and reliable member of the US Coast Guard Auxiliary.

The content and structure of this course is the result of collaboration between the Training Directorate, Human Resources Directorate and Auxiliary University Programs

Access this course via a Mobile Device

Module 1: History, Purpose and Administration of the USCG Auxiliary

This Module explains the *History, Purpose and Administration* of the US Coast Guard Auxiliary to include Coast Guard Core Values, and their importance to our mission. It provides a framework for how we must interact with the general public, active duty Coast Guard and each other.

Core Objectives: Upon completion of this module, the Auxiliarist will be able to explain to others the History, Purpose and Administration of the US Coast Guard Auxiliary to include Coast Guard Core Values and their importance to our mission.

Module Time On Task: 1 hour
Module Activities: Complete the following Learning Activities:
  ○ Review the Module 1 Study Guide
  ○ Read AUX Manual Chapter 1 History, Purpose and Administration, Mission and Programs
  ○ Complete the Module 1 Self-evaluation
Optional:
  ○ Engage with the Core Values Learning Module
  ○ Watch the recommended videos for deeper understanding of the Heritage of the Coast Guard and the Coast Guard Auxiliary

📕 New: Qualification Study Guide Module 1

History, Purpose and Administration

Each module unit is a self-contained unit of study. The modules can be taken at anytime and may be completed out of sequential order. Upon completion of a module the relevant assessment may be accessed at the National Test Center.

📙 Coast Guard Core Values

Launch this learning module to learn more about the importance of the Coast Guard Core Values. At the end of the presentation there is a 4 question self-evaluation to help you check your understanding of this foundational concept and prepare you for DQ test.

📘 USCG Auxiliary Manual

Download and Save the latest revision of the USCG Auxiliary Manual. This is the "Bible" for all Auxiliarists. In your career as an Auxiliarist, you will eventually come to know this document and rely on it for guidance.

📗 National Testing Center

Upon completion of the module the relevant assessment may be accessed at the National Test Center. [button to link to the NTC]

Optional Learning and Exploration

Step 6: Now you are ready to take the test for the first module. Clicking on the "National Testing Center" button will take you to the following screen. Again, you log in with your member number and password.
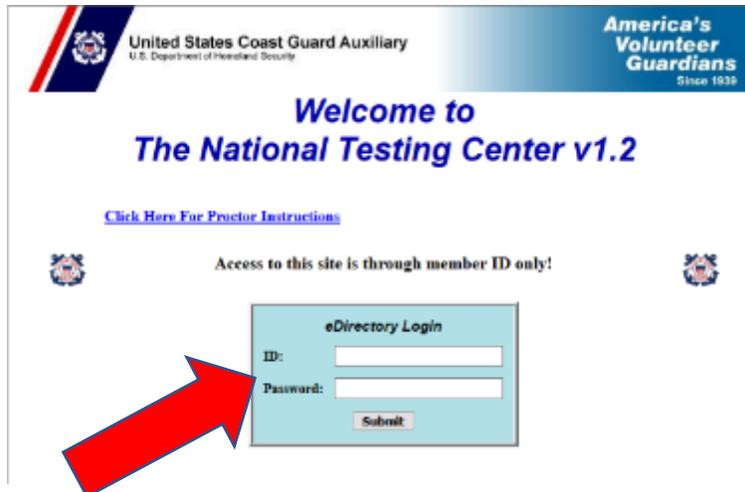

After you log in you will be taken to the "Members Home" screen that lists many of the courses you can take.

Step 7: Scroll down to "BQCM1", the Basic Qualification Course Module 1 Exam.
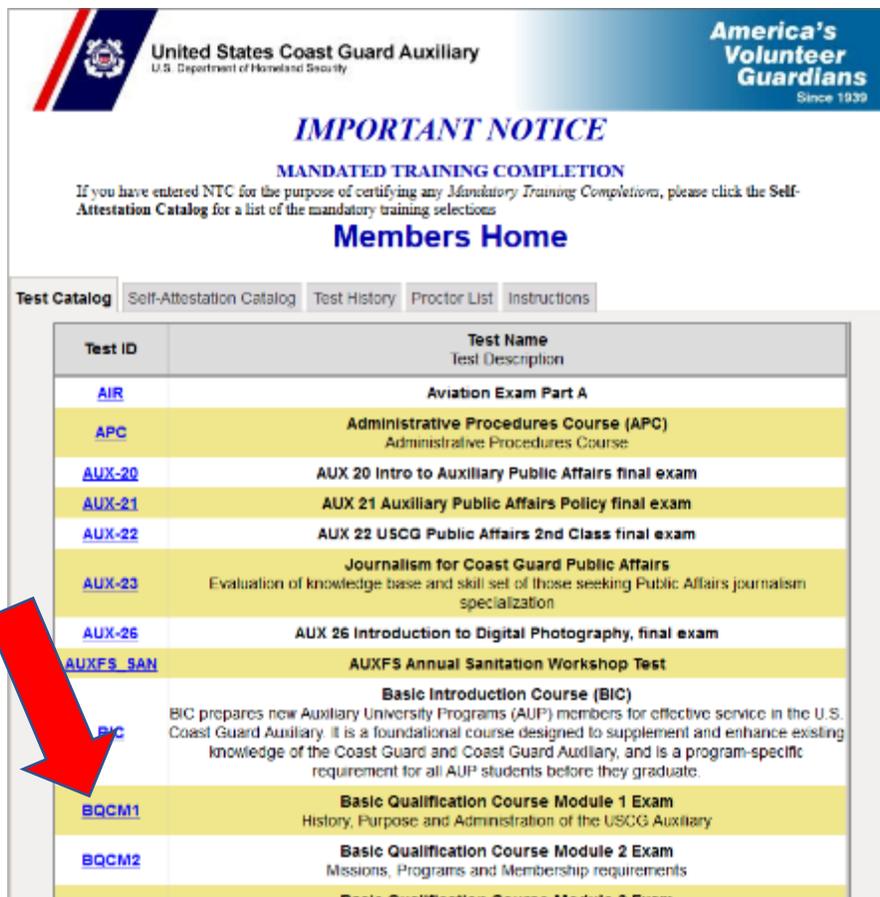

This will take you to the test start page.

Step 8: Read the directions and when ready click the "Start Test" button on the bottom.
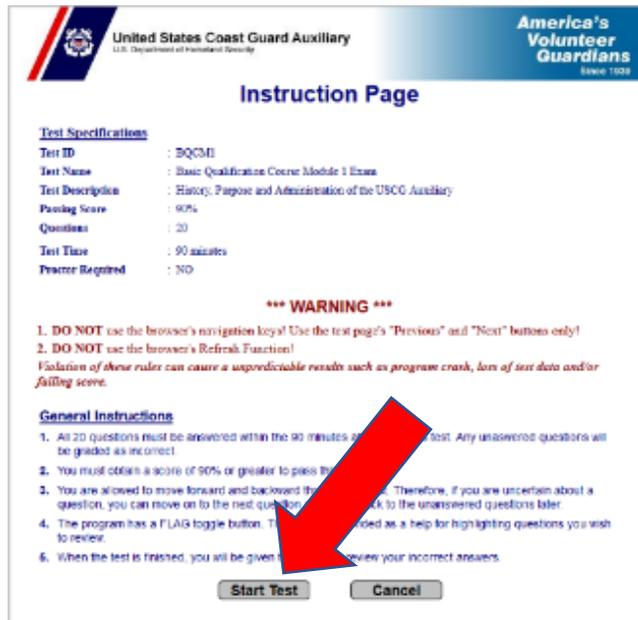

That's all there is to it! After you complete the test the results will be automatically entered into your Coast Guard training record. Repeat the steps from Step 5 working through the modules.
