## Self-Attestation for Mandated Training Courses

David Larkin, Member Training Officer, Flotilla 44

There are several reasons to use self-certification to indicate completion of AUXMT training:

- You completed the course on AUXLMS but did not get credit for the course. This is usually because the wrong browser was used but, since the course was completed, use self-certification to get credit rather than retaking the course on AUXLMS
- You completed either the Voice over PPT video course or the PDF- annotated PPT course and are registering that fact via self-certification for AUXDATA credit
- You previously completed the Coast Guard version of the AUXMT course and want AUXDATA credit for it.
  - 1. Begin by going to the National Testing Site at <u>ntc.cgaux.org</u>

This will bring you to the start page.

Click on "Take a Test"

2. This will bring you to the log-in page.

Enter your member ID and password (same password as the Directory)

The FLAG is provided as a help for highlighting questions you wish finished, you will be given the option to review your incorrect answers.

6. Click on "Yes" and then "Finished".

7. Congratulations, you are done!

Your results will be automatically entered in AUXDATA and you should receive a confirmation email.

If you need to self-attest to more courses, click on the "Return to Catalog" and follow the same steps.
