

Subj: WORKFORCE RESILIENCE COURSE NAME CHANGE

1. The "Workforce Resilience" course (course code 502379), which is currently one of the Auxiliary Core Training (AUXCT) course requirements, has been renamed "Sexual Assault Prevention, Response and Recovery." The course code number remains the same. The name change does not impact current AUXCT requirements or course currency, and the course remains available to be taken through the Auxiliary Online Classroom (https://classroom2.cgaux.org/moodle/course/index.php?categoryid=36) and the Auxiliary Learning Management System (AUXLMS / https://auxlearning.uscg.mil).

2. The Coast Guard is currently conducting a 90-day Accountability and Transparency Review of our law, policy, processes, practices, resources, and Service culture relevant to eradicating sexual assault and harassment in our ranks. Course code 502379 is under review and is expected to be revised following the results of this 90-day review.

3. **AUXCT Course Requirements:** As a reminder, AUXCT is comprised of the following repeatable and one-time courses:

*This AUXCT requirement only applies to Auxiliarists enrolled on or after February 1, 2018.

4. The Auxiliary Training Directorate's AUXCT Training page (<u>https://wow.uscgaux.info/content.php?unit=T-DEPT&category=core-training</u>) addresses options for completing the AUXCT courses.

5. Internet release is authorized.

For many reasons including the value of keeping communication lines clear and open as well as facilitating access to training and educational tools, all Auxiliarists are urged to have their own email address and to keep it updated in AUXDATA.
