Subj: SUPPORT AND RESPONSE TO HURRICANES HELENE AND MILTON

---

1. This ALAUX addresses Auxiliary pre-storm and post-storm support and response activities related to Hurricanes Helene and Milton.
2. Operation Codes HURRICANE HELENE and HURRICANE MILTON have been designated for use in AUXDATA II for Auxiliarists to utilize when logging activity in direct support of these respective response operations. When Auxiliarists record their activities in support of these hurricane response operations, they should ensure the appropriate code label is included on the form being used to do so. These codes may only be used to log activity by 1) Auxiliarists whose operational activities have been authorized by an Order Issuing Authority (OIA) with concurrence from the Sector/Air Station Auxiliary Liaison Officer (AUXLO), or 2) Auxiliarists whose administrative activities are in direct support of the respective response operations.
3. The D5-Southern, D7, and D8-Coastal/Eastern/Western Directors of Auxiliary and Operations Training Officers have sent separate correspondence to AUXLOs and OIAs describing the process for requesting patrol orders through the OIA. This correspondence also provides guidance on processing patrol orders in AUXDATA II.
4. All Auxiliarists requesting to provide support to these response operations shall coordinate capabilities and availabilities through the appropriate OIA and AUXLO. Once clearance is received, the OIA/AUXLO will work directly with the Auxiliarist to clarify operational details and expectations and provide the approval. Auxiliarists SHOULD NOT request patrol orders in support of Hurricane response in AUXDATA II without direction from the OIA.
5. All other Auxiliarists' support functions that require funding or reimbursement shall be requested through the appropriate AUXLO:
  - D7 Area Command ICP Assistant District Staff Officer - Emergency Management Deputy (ADSO-EM-D), Mr. Jeff Barnes, email: [aux.jeffreybarnesuscg@gmail.com](mailto:aux.jeffreybarnesuscg@gmail.com).
  - D8-Western Region District Staff Officer – Emergency Management (DSO-EM), Mr. Richard L. Lawrence, email: [richard.lawrence@cgauxnet.us](mailto:richard.lawrence@cgauxnet.us).

6. Internet release is authorized.

\*\*\*For many reasons including the value of keeping communication lines clear and open as well as facilitating access to training and educational tools, all Auxiliarists are urged to have their own email address and to keep it updated in AUXDATA.\*\*\*
