

Bridge Notices

John Collins, USCG Auxiliary, Sector Boston ADSO-PE

The Coast Guard uses public notices to notify the public of proposed bridge activities and to solicit comments regarding those activities. The Active page is updated as bridge-related public notices become available. A Public Notice is removed from this page after the comment period closes. Once they expire, the notices are moved to the Public Notices for Bridges - Expired page.

You can see the Active District Northeast page here:

<https://www.navcen.uscg.gov/public-notices-for-bridges-active-by-district?district=1&subdistrict=n>

You can see the Expired District Northeast Page here:
