

## Coast Guard Sectors

John Collins, US Coast Guard Auxiliary, Sector Boston ADSO-PE

A **Sector** is a shore-based operational unit of the [United States Coast Guard](#). Each Sector is responsible for the execution of all Coast Guard missions within its Area of Responsibility (AOR), with operational support from Coast Guard [Cutters](#) and [Air Stations](#). Subordinate commands within a Sector typically include Stations and Aids-to-Navigation (ATON) Teams. Some Sector commands also have subordinate units such as Sector Field Offices and Marine Safety Units that are responsible for mission execution in parts of the Sector's AOR.

Sectors in the Northeast District include:

Northern New England- Maine, New Hampshire, and Vermont
