Instructions to sew on tape and devices:

NAME tape immediately above the right chest pocket, USCG AUXILIARY tape immediately above the left pocket, each centered, and with the ends of the tape extending to the edge of the pocket. For attaching the embroidered collar devices. Make sure the anchors are properly oriented:

Links for ODU:

1. Items from CGX: <http://www.shopcgx.com/> You will need to create an account and have your member ID to see the uniform items.
 - a. Small metal collar device (that matches your embroidered collar devices (e.g. FSO-FSO, FC-FC, etc.); you will only use one, but you will have a spare: <https://shopcgx.com/products/cg-aux-collar-dev-member>
 - b. ODU untucked coat: <https://shopcgx.com/products/untucked-odu-coat>
 - c. ODU logo untucked ODU trousers. Buy them longer than you ordinarily would; they need to be long enough to blouse. That means 4" longer than normal for you:
<https://shopcgx.com/products/untucked-odu-trouser>
 - d. USCG AUX tape: <https://shopcgx.com/products/name-tape-ripstop-uscg-auxiliary>
 - e. Name tape: https://shopcgx.com/products/individual-name-tape-uscg-odu-rip-stop?pr_prod_strat=jac&pr_rec_id=229150ab8&pr_rec_pid=7246476902575&pr_ref_pid=7240984461487&pr_seq=uniform
2. Items from AUXCEN: <https://auxcen.com/>
 - a. Auxiliary standard ball cap: <https://auxcen.com/auxiliary-standard-ball-cap/>
