

## AUX SAR Vest Standardization

- To create uniformity and to assist our boat crew training program, all AUX SAR vest will be standardized (per the GC model above) in terms of PPE item location and their attachment via lanyards per relevant Maintenance Procedure Card. This will also help curb unnecessary loss of and cost of replacement to PPE equipment on the vest.

### PPE Items and Locations on SAR Vest

1. Mirror (Top Right pocket) attached via lanyard.
2. Strobe Light (Top Right pocket) attached via lanyard.
3. (Side Right pocket) N/A to AUX. This could be used to carry a couple pairs of latex Gloves.
4. Whistle (Bottom Right pocket) attached via lanyard.
5. (Bottom Right Pocket) N/A to AUX.
6. Knife (Bottom Left pocket) attached via lanyard.
7. PEP/IRB/PLB (Side Left Pocket) attached via lanyard. *{Coxswains Only}*
