

HISTORY

The Chatham Flotilla of the Coast Guard Auxiliary was chartered on April 18, 1964 with 13 members as the first non-wartime flotilla on the Cape. Since then, the flotilla has grown to about 70 members, and we are proud to be a part of the nation's premier boating safety organization. The purpose of the Auxiliary is to assist the Coast Guard as authorized by the Commandant in performing any Coast Guard function, power, duty, role, mission or operation authorized by law.
