ZOOM Meeting
UOD N/A

Members participating: Berini, Hefler, Davis, Lewenberg, Kennedy, Temple

FC Comments:

Our first Recreational Boating Safety (RBS) class was a huge success! Bravo Zulu to Joe and David for putting everything together, Mike and Tim for teaching, Wayne and Glenn for helping out and BM1 Coleen White for representing the station and Teresa for attending and being our eyes in the class!

VFC Comments

- Required VE Workshop for all examiners
- Congratulations to our new instructor – David Halsey.
- S-Train at Maritime Academy on April 30. Sign-up starts April 1
- Auxdata II – entering your activities.

: New Business

- Any members in REYR please speak with Brien or Jake immediately, we need to get everyone current and back in action before the season kicks off.
- Discuss next RBS class, April 23 and tentative schedule for upcoming classes and what other courses we may want to offer.
- Meeting locations and days.
- Schedule FSO meeting.
- All members, please make sure your auxdata credentials and log-in is working, recently the system was updated and requires a password change. If you cannot reset your password, email Auxdata@acumensolutions.com and request a password reset.

FSO Reports

- FSO-FN: We took in \$740.00 from our BA class. Spent \$116.60 for class materials and \$105.14

for Zoom renewal. Balance 1792.29

- FSO-IS: Auxiliary now requires some computer skills. Start with Auxdata II and enter your activities.
- FSO-CM: Waiting to hear from Sheriff's office on 8 repeaters.
- FSO-PA A press release will go out for the next RBS class.
- FSO-PV Nothing to report.
- FSO-CS:
 - Updated our website to include class pictures.
 - PowerPoint on Passwords (Zoom Share)
- FSO-HR: Attended great zoom on Recruiting new members. We will give a presentation to the flotilla at the next meeting.
- FSO-PE Highly successful Boat America course on Sat March 12th. Sincere thanks to the officers and flotilla members who donated their time and made the day a real winner! Next in person Boat America course scheduled for Saturday April 23rd. Please consider joining the instructor team - as the more experience and perspectives available to our learners the better. We will focus on presenting the content as required AND facilitate active participations by the learners. Reminder to all flotilla staff who participated in the course set-up afternoon 3/11 and course day 3/12 to enter your time in AuxDataII. Please direct any questions and offers to volunteer to David Halsey, FSO-PE
- FSO-MA
- FSO-MT

Next meeting: April, TBD
