We are moving into the VE season so I suggest your first purchase be the ODU's in addition, you may want to order a life jacket (see attached)

If you are interested in purchasing a PFD for your use, attached is the order form for mustang survival. Please note this is not just for boat crew, if you complete a boat crew qualification, the Coast Guard will issue you a vest with the proper equipment. This would be for VSC and other programs, you could use this as a trainee for boat crew.

You must fill out the order form and email the completed form to: orders@mustangsurvival.com

If you have any questions about the process call: 1-800-526-0532 and then press 1 to connect with customer service.

Price is based on the General Services Administration (GSA) contract and change each year. Below are the current prices for the versions that are recommended for use:

- 1) MV1254 v34 - \$134.76
- 2) MD3183 v34 - \$251.89

THE WHEELHOUSE

1. The online Coast Guard Exchange (shopcgx.com) now sells Auxiliary-branded fabric face masks that are made in USA (hence the steep price tag). Note that these are NOT medical-grade and do not appear to have a slot for inserting a filter. However, the designs are pretty sweet! Two masks (each has a different design) for about \$16.

2. Shop CGX also has the regular USCG logo mask on sale right now for \$3.49 each (made in China). I have two of these masks and like them, but they do not have a filter slot.

Stay safe and happy shopping!

Thank you.

Sincerely,
