A motion was made by M. Coussouloudis and seconded by J. Baldomir to forego SO reports. Carried unanimously.

DCDR Report (G. Yetter):

Please reach out to your members to check and see if anyone is sick. District wants to hear about any members that tested for Covid. Lots of emails have been sent out and please make sure the info gets passed along to all members Adobe – will not work with our systems by the end of the month so encourage all of your members to complete training by the end of the month. Disenrollment - get papers in or else your flotilla will pay for any members that are on the books on 1/1/21. Line handling – people showed interest, but not needed . The evolution was stopped for the year. D1SR website – the “who does what” section has been updated. Division records – I am giving Paul a thumb drive which contains division records and standing rules. Zoom – the district has a zoom account and all are welcome to use it. Thank you all for your support. I have been trying hard to make sure things go in a positive direction.

VCDR Report (P. Scoca): Best wishes to Gene and best of luck. I am looking forward to working with everyone here. I hope to have a productive year. – Everbridge phone number – the Coast Guard emergency number has been changed to a 202 area code. Please make sure all members enter as such in their cells. The number is 202.930.3946. Leadership development will be held on January 16th.
