| CONDENSED VERSION OF REPORTS AND MOTIONS VOTED ON (List) Minutes of meeting on 16-February-2022 approved by motion. FN- (Through Slusher) FN report shows a balance of \$3,979.50 as of 28 February. The report does not show dues paid to the Division of \$36.00 per each member. The Financial report was approved by motion. District now requires monthly Financial Report and also requires monthly reporting of minutes on form 3615. Both reports are to be sent to the FC for forwarding up the chain. DV - There was no monthly townhall meeting in February. The NACO Diversity Award form has been changed, we have not, as of yet completed the new application form. Helen Fang has done outreach for the old AIM program, has prepared new materials for distribution at high school fairs in conjunction with the new process. PE – No update from SUNY Adk. As of February we had 2 students signed up for the April 9th class at SUNY-Adirondack. Because we may have children attending, any instructor/assistant attending the class will have to obtain credentials from SUNY-Adk by completing an online information form, and viewing an online video. Also, all attending will most likely need proof of vaccination or a negative Covid test to enter the campus. Information will be disseminated as it becomes available. All ITs must take the 2022 online workshop to maintain qualification. The Workshop is online here: http://wow.uscgaux.info/content.php?unit=E-DEPT&category=2020-instructor-dev (Enter Member Zone – then click on PE Resources-Workshops) Please remember to pass the self attestation form on to our FSO-IS, Lynn Enny for entry into Auxdata II.
