- The Flotilla's bank balance at the end of August 2017 was \$4,869.82.
- One of my Flotilla members, Jessica Jampol-Bouker, passed her Boat Crew Requalification. Thank you to all the Coxswains and Boat Crew who assisted to make this happen.
- I am up for my Boat Crew requal on Saturday, September 16<sup>th</sup>. Thank you in advance to all who have helped me throughout the Summer.
- Gregory Barbato, the FSO-CM, has offered to do a five minute presentation at the Flotilla's September meeting on the AUXNET Cache Two-Way Radio ("TCO Lite").
- Another Flotilla member, Jeffrey B. Wright, has recently expressed an interest in training to be a Watchstander. Since he has had numerous years of training in crisis management, is a licensed Captain with local knowledge and chart plotting, I believe he would do well. I am looking in to what needs to be done for that.

- Gerald Krant, the FSO-NS, has had some medical issues over the summer but hopes to be back on track with the ATONS ASAP. He has been in contact with the SO-NS.
- Ellen Da Silva, the SO-PE and FSO-PE, wrote a quick article about paddle safety which VFC Varvaro posted on the Flotilla's website.

- I have several people interested in becoming USCG Auxiliary members. At least two are planning on going to the Flotilla meeting on September 14<sup>th</sup>.
- I have begun the disenrollment process for one member who did not pay his 2017 dues.
