

Every year, Flotilla 2-76 puts on a concerted effort to get as many Auxiliarists in the classroom as possible. We understand that training can be hard to come by; especially training that requires classroom study. During the off-season, through the late fall, winter, and early spring, we try and hold frequent and in demand classes. Below is the selection for the upcoming session. Registration is easy online at <http://cgaux276.org/weekendcollege> or by emailing the FSO-MT Russ Rosenzweig at russ.rosenzweig@cgaux276.org. Courses are all held at Sector Delaware Bay and run from 0800-1600.
