

# UNITED STATES COAST GUARD AUXILIARY

DEPARTMENT OF HOMELAND SECURITY

The civilian component of the U. S. Coast Guard  
(Authorized by Congress in 1939)

15 February 2018

FM: Howard Sprow, SO-CS  
TO: DCDR, Division 10

SUBJECT: SO-CS Activity Report – February 2018 Meeting

FC and SO reports were posted on the Division website. Integrity of Division website content was checked. No major changes or additions were made to the site.

Based on a suggestion from the SO-IS, I am exploring the concept of having all Division 10 flotilla websites include certain common pages to be listed in the side banner in a standard sequence.
