FC Report 054-10-01

2017 is off to a great start. Our FSO's have put forward lofty goals. I'm happy to report we have over 30 PE students scheduled, over 100 PV's performed, and nearly 100 VSC's performed. We also have plans of updating 3 old facilities and adding 2 new ones to the fleet. We have also revamped our PB efforts with social media and e-news letters.
