Flotilla 10-05 Report to Division

Membership:

Overall membership is highly dynamic at this time. We have had several members transfer in from other Flotilla's/Districts along with new applicants. One previous resignation has been reversed. One retiree and two dis-enrollments thus far since our last Division meeting.

We have made a concerted effort through e-mail and personal phone calls to entice several inactive members to pay their annual dues and become more active. While successful in many cases, we expect to dis-enroll three-four additional members due to non-payment.

Recognition:

Six Flotilla members were awarded the USCG Auxiliary "Century Club Award" for completion of One Hundred Vessel Examinations and/or Program Visits during 2016. 30 –year Service Awards presented to Carol and Peter Urgola and 750-hour awards presented to John Moody and Fred Robertie.

Upcoming Elections:

November 14 is the next Flotilla 10-05 general Membership meeting and will include elections for FC and VFC. Thus far, one candidate for FC and three candidates for VFC.

At this point, we have identified 14 of our 17 Flotilla Staff Officers for 2018. A strong push will be made to fill the remaining three as they are critical FSO responsibilities (Diversity, Program Visitor Program and Secretary).

Change of Watch: December 9th at Winding River (Carolina National Golf Club).
