Flotilla 10-06 Report to Division

Membership:

We had two transfer in- one new getting his AP. Two are IQ, and 4 in process.

Several have to have additional fingerprint cards- in process.

REYR Status:

Plans are being made for Training Programs such as: PV's, VE's, Instructors as well as Saturday AMT sessions for 2017. INFO on REYS & REWK status has also been sent to each member. INFO on various Training Opportunities have been sent to members. Our Flotilla status has not changed on our AMT Program on our current(41) membership as of 12March2017 from previous reports.

Events

Recently completed CFCC BOAT SHOW April 01 & Azalea Festival April 08 & 09.

Was asked to participate in GE Safety Fair April 20 , and also in the Open Season Day at Wilmington Marine Center on the 21st.. We also had some participation in the Carolina Cup. ABS class was postponed.

Have also been asked to participate in Red Cross Safety and Preparedness Fair on May 11th.

There will be a VE day at Tides Marina May 6th, but because TCT Workshop, may be short handed- may request assistance from anyone else available.

For National Safe Boating Week we plan on manning 2 or 3 ramps in the area, but there is also the Ops workshop on the 20th. Proclamation scheduled with the New Hanover County Commissioners and Station WB. Press release will follow to media.
