Flotilla 10-06 Report

Membership:

While we have gained two members, we will be losing a couple, but we have 3 or 4 in the joining process and several more showing interest.

Activites:

Safety Fair at GE, Red Cross Expo, Wilmington Marine Open Season, VE day at Tides, couple more. Proclamation signed by Mayor. Several VE days at marinas being planned.

Training:

Several '10-min Trainings' on pdf programs, filling out online forms, signing documents.

There is still a problem with getting forms submitted- Many VE stickers passed around, but fewer inspections being recorded.
