Subj: Communications Activity for MAY18

A VHF Radio Drill was held on 17MAY. Three AUXCOM

Facilities participated in the exercise; Keith Wilson and Christine Fisher of Flotilla 10-06 and Charles Duke from Flotilla 10-05.

Herman Franke, FSO-CM Flotilla 10-06, participated in two medium frequency AM drills during the month in addition to his usual service as an AUXMON program contributor. Unfortunately, I do not have the hours spent on these endeavors.

Very respectfully,

Paul A. Dowty
