

# UNITED STATES COAST GUARD AUXILIARY

DEPARTMENT OF HOMELAND SECURITY

The civilian component of the U. S. Coast Guard  
(Authorized by Congress in 1939)

August 15, 2016

FM: Charlie Duke SO-CM  
TO: DVCDR, Division 10 E.J. Arlart

SUBJ: Report from SO-CM

1. The July Division 10 vhf net radio drill went pretty well with four stations checking in and one by phone. Sector North Carolina joined us on ch 81a. Pelican Radio was net control and heard SNC – LC, Cape Fear Radio-MN no response from Carolina Beach II or Kure Beach. Southport Radio-LC and West End Radio-LC.

Southport Radio heard Pelican and SNC-LC , West End Radio heard Pelican Radio-MC and Cape Fear –WN.

Cape Fear Radio heard SNC-LC, Southport-WN, Pelican Radio-WN.

John Moody, taking the TCO course heard SNC-LC, Cape Fear Radio-LC and Pelican Radio-LC with a handheld. He should finish the TCO sign-off next week.

2. During the month of June the FSO-CM of 10-06 participated in two HF radio nets, District 5 and the East Coast. Ten stations checked in to the District net. Aux Mon Sta Wilmington logged over 31 hours of monitoring.
3. The SO-CM did 44 partner visits since the June meeting.

Respectfully submitted,

Charlie Duke
