FM: Charlie Duke SO-CM
TO: DVCDR, Division 10 Butch Willette
SUBJ: Report from SO-CM

1. Was on Auxiliary float in Oak Island's Christmas By the Sea Parade on 3 December.
2. Participated in Division 10 monthly VHF net radio drill on 19 January in which Pelican Radio was net control. Only Long Beach North Radio and Sector North Carolina were heard by Net Control. SNC relayed to Middle Sound Radio –LC.

The FSO-CM 10-06, Herman Franke reported 66 hours of monitoring as Aux Mon Station in December for an annual total of 528 hours. In January FSO-CM Franke participated in 2 HF nets and reported 86hours of monitoring.

The next Division 10 VHF net radio drill is tonight at 1900 on ch 81a. Auxiliary Cape Fear Radio will be Net Control.

As you may have noticed, we have a new ACU in the SW Sector – Auxiliary Long Beach North Radio by FSO-CM 10-05 , John Moody.

Respectfully submitted,

Charlie Duke
