SUBJ: Report from SO-CM

1. I was absent for the April and June VHF radio drills. FSO-CM Herman Franke was net control for the May vhf drill. Middle Sound Radio was excused. Cape Fear, Carolina Beach, Kure Beach, Long Beach North and Pelican participated.

FSO-CM 10-06 Franke polled and received responses from two facilities in the April 21<sup>st</sup> Carolina Cup SUP regatta using DSC, which provided the facilities latitude and longitude. FSO-10-06 also logged many hour at the Aux-Mon station.

2. The FSO-CM 10-01 Arlart participated in the VHF radio drills in May and June and maintained Coast Guard Auxiliary Middle Sound. Mr Arlart will train others in AUXCOM and TCO radio operations PQS if requested.
3. Carolina Beach was net control for June's VHF radio drill and only heard 2 other stations; Middle Sound and Kure Beach. Three other stations were excused.

Respectfully submitted,
