

**SO-CM Report
Division 10
October 2017**

The Division 10 had two VHF radio drills since the last meeting. FSO-CM Moody from 10-05 was net control for the September drill in which the Southwest sector could hear each other LC and heard Carolina Beach MN, Sector North Carolina LC.

Cape Fear Radio was net control for the August drill which was plagued by thunder storms. The FSO – CM Franke from 10-06 also logged 121 hours as Aux Mon/ Aux Com station.

Respectfully submitted,
