

# UNITED STATES COAST GUARD AUXILIARY

DEPARTMENT OF HOMELAND SECURITY

The civilian component of the U. S. Coast Guard  
(Authorized by Congress in 1939)

17 August 2016

FM: Howard Sprow, SO-CS  
TO: DVCDR, Division 10

SUBJECT: SO-CS Activity Report – August 2016 Meeting

Copies of all officer reports, agendas and minutes that I received for the last meeting were uploaded to the Members Only section of the Division website.

The migration of the 10-06 website to the WOW platform was completed and approved by National IT. WOW sites for 10-01 and 10-05 were approved previously. 10-03 and 10-07 sites need additional content as recommended by National IT.

The website data which the Auxiliary systems retained for former flotillas 10-03 and 10-09 has now been purged. This means that the Division 10 page that lists our flotillas (which is automatically generated) no longer shows those flotillas. The listing is now correct. We are in the process of decommissioning the old legacy AIRS sites assigned to those flotillas. This has no effect on our Division site but it will free up server space for the Auxiliary.
