UNITED STATES COAST GUARD AUXILIARY

The civilian component of the U. S. Coast Guard

Subject: Activity Report: Human Resources

➤ **Activities, Projects, or Events.**

- I've received one "Join Us Online" notification since my February report.
 - One for Flotilla 10-07.
- The FSO-HR in Flotilla 10-07 has acknowledged receipt of the contact information but has not reported any progress. He has reported that the phone number that was supplied is not valid.
- The most recent DIRAUX Task Listing/Status report indicates that **15** new member applications are in progress.
 - Two for Flotilla 10-01.
 - **Eleven** for Flotilla 10-05.
 - Two for Flotilla 10-06.
- Comparisons of the February 9th and the current DIRAUX Task Listing/Status reports as to "New Mbr Applications" and "Enrollments."
 - Two names have been removed from the report but do not appear in the Auxiliary Directory. **We have either lost those individuals or DIRAUX has stopped tracking them on the Task Listing/Status report. A new DIRAUX policy?**
 - **Two names** have been removed from the report and are now shown as BQ members of Flotilla 10-05.
 - There are two new names on the report. Both for Flotilla 10-05.
 - **My interpretation is that new member processing for two members have been completed since February.**
