

Human Resources Staff Officer's Report
Division 10, District 5SR
29 April 2017

1. Since the last report, I received two automated notifications of people within our area who had filled out "Join-us-Online" forms on the national website. I referred both prospects to Flotilla 10-01 based on distance from their residence. The flotilla's FSO-HR, Carl Robinson, has talked to one of the prospects and has attempted to contact the other.
2. Flotilla 10-01 has enrolled one new member, Larry Jamieson, who was a Join-us-Online referral in January. The flotilla also has re-enrolled one former member, John Robards, and is in the process of re-enrolling another, Paul Best.
3. Flotilla 10-05 enrolled three new members since the last report: Ken Hooper, Tony Fiorino and Jon Rucker. Another prospect is scheduled to complete his application on 8 May. Several other prospects have been visited and have attended flotilla meetings. In April, Jim Grever transferred into 10-05 from a flotilla in Ohio.
4. Flotilla 10-07 is in the process of enrolling two new members.

Respectfully submitted,
Chris Halladay
