

Human Resources Staff Officer's Report
Division 10, District 5SR
25 February 2017

1. Since the first of the year, I have received five automated notifications of people within our area who had filled out "Join-us-Online" forms on the national website. I referred the prospects to a flotilla based on distance from their residence and/or the prospect's preference. Each of the prospects has been contacted by the flotilla's FSO-HR.

| Lawrence Jamieson | 10-01 |
| Edward Heintz | 10-01 |
| Kenneth Hooper | 10-05 |
| Allison Rockenbach | 10-06 |
| Lawrence Katz | 10-07 |

2. I submitted a query to Andy Kelly, the DSO-HR, regarding the new AUX Basic Qualification Course 2016 which is now available at Auxiliary Online Classroom website. It consists of seven modules, each with a 20+ question exam. Jon Raden, the National Division Chief for Recruiting sent me a reply. The course is voluntary – not mandatory – and it does not replace the 30-question New Member exam that new enrollees must complete. Also, in spite of its name, the Basic Qualification Course has nothing to do with becoming Basically Qualified (BQ).

3. On 18 February, Flotilla 10-05 submitted an enrollment application for Phil Casper of Southport.

Respectfully submitted,
Chris Halladay
