RE: Division 10 SO-HR Report, June 11, 2016

Thanks to Chris Halladay and Carl Robinson for getting their monthly Flotilla FSO-HR report to Division!
 No reports received from 10-06, and 10-07 and 10-08.

Morale—some thoughts to ponder...

- Can we do more to help our new members find their passion and socialize within their flotilla and the Auxiliary?
- Can we do more to help our new members gain access to policies, procedures, training and instructions needed to perform their roles?
- Can we do more to encourage regular attendance at flotilla meetings and mentoring for success?
- Can we do more to maintain motivation and morale?
- Can we do more to recognize our fellow Auxiliaries for a job well done? For example: provide awards and celebrations for achievements?

Flotilla 10-05 Staff Officer Report June 2016

Contacts with prospective members:

1. An email was sent to a gentleman who expressed an interest in the Auxiliary when he visited Station Oak Island on Safety Day. He has not responded yet.
2. A follow-up contact was made to a prospect who I visited in March. He is travelling now and will get in touch with me later this summer.
3. I telephoned a prospect who was referred to us by DCDR Jim Arlart. I then mailed him some brochures and literature about the Auxiliary and our flotilla.
4. George Asimos referred me to an individual who may be interested in joining. I contacted him and we're trying to arrange a meeting.

ID card renewals:

Renewal photos and data were submitted to DIRAUX for Bob Dennis, Charlie Duke, Bill Fredette and Vince Gubey.

Application resubmittal:

Jeremy Walls' application was returned to the flotilla by DIRAUX in April. On May 18 his application was resubmitted with new fingerprint cards and birth certificate.

Respectfully submitted,
Chris Halladay. FSO-HR
