

Human Resources Staff Officer's Report
Division 10, District 5SR
24 June 2017

1. During May and June, I received six automated "Join-Us-Online" notifications of people within the Division 10 area who have completed forms on the National Auxiliary website. One of the inquiries was from a person who only wanted information about enrollment requirements. Of the other five contacts, two were referred to Flotilla 10-01, one to Flotilla 10-06, and two to Flotilla 10-07 based on the locations of their residences.
2. Flotilla 10-01 contacted several prospective members during May and June.
3. Flotilla 10-05 enrolled two new members in May and several other prospects were contacted. One-on-one orientations were provided to four new members.
4. Flotilla 10-06 enrolled two members in May and one in June. Many other prospective members were contacted and invited to attend flotilla meetings.
5. Flotilla 10-07 has been in contact with several people interested in joining.

Respectfully submitted,
Chris Halladay
