

Human Resources Staff Officer's Report
Division 10, District 5SR
21 October 2017

1. During the months of September and October I received seven automated "Join-Us-Online" notifications of people within the Division 10 area who have completed forms on the National Auxiliary website. Two of the people were referred to Flotilla 10-01; two to Flotilla 10-05; and three to Flotilla 10-06. In addition, a follow-up call was made to Flotilla 10-07 regarding a previous on-line notification.

2. Flotilla 10-01. FSO-HR Carl Robinson contacted the on-line prospects and sent them a welcome letter with the resources needed to begin the application process.

3. Flotilla 10-05. Two new members, Ed White and Bud Yarbrough, were enrolled in October.

Nine Auxiliaries transferred into 10-05 during September and October: G.E. Brinckmann from Georgia, Gerald Corkins and Karen Hasbrouck from New York; Jim Grever from Cincinnati; Jim Maguire from Delaware, Mandy Wright-Thomas from California, and four previous members of Flotilla 10-08 after it was disestablished – Dan Pierce, Al Nord, Harriet Wilt and Fred Worsh. FSO-HR Halladay met with three other prospective members.

Two members disenrolled in October, and one other member moved to retired status.

4. Flotilla 10-06. FSO-HR Allen Padgett has been in contact with nine prospective new members and has invited them to flotilla meetings.

Respectfully submitted,

Christopher Halladay
