SUBJ: October 2017 Report SO-MA

(First a brief report on your AOR then complete the following bullets as applicable)

1. Meetings, conferences, seminars, workshops, presented and/or attended;
Flotilla 054-10-01 Meeting
2. Public Affairs Activities, projects, events, etc.; Attended southeastern NC Cub Scout Day 23September2017 with assistance with Flotilla 054-10-06. We use our Flotilla 10-01 PA Trailer with support. Our program was RBS and knot tying check-offs for scouts. Great Day! Great Teamwork with 10-01 and 10-06 working together to support RBS, AUX and Scouting.
3. Unit Participation in Coast Guard Support Activities; Continuing to support Division 10 with inventory update and preparing ANSC-7029 for end of the year. I'm in process of locating a new public safety light for our District which is LED, low profile with red/yellow light pattern for OPS.
4. Member Training conducted in past month and planned; working with District in planning February 2018 DTRAIN Program.
5. Memoranda of interest to DCDR; We are continuing to keep OPS Crews up to date with equipment and the STA OI and STA WB "extra funds" equipment is slow being received.
6. Situations requiring assistance of the DCDR/DVCDR or Division Staff;
none

7. Flotilla members or staff to be commended; Mike Butt FSO-MA 10-01 for maintaining the Flotilla OPS storage area, Jim Mayne FSO-MA 10-06 for securing their Flotilla gear. Great work!

Respectfully submitted,

George A. (Andy) Cardwell
SO-MA
Division 054-10
