Other Notes/Requests:

I HAVE NOTICED A DEFINITE UPTICK IN INTEREST IN OUR MS PROGRAMS AT LOCAL FLOTILLA LEVELS. WHEN THE MARINE SAFETY PROGRAM IS BROKEN OUT IN RECOGNIZABLE SEGMENTS, ie: AWW, CLEAN MARINAS, CLEAN WATERS etc., MORE MEMBERS BECOME AWARE AND INTERESTED AS THEY CAN RELATE TO THE TERMINOLOGY. MARINE SAFETY IS MULTI-FACETED AND WE MUST PICK AND CHOOSE WHAT FITS IN OUR AREAS.
